

1. **Statement:** *Lincoln spoke of assuring that a government of the people, by the people and for the people should not perish from the earth.*

On a scale of zero to 100, to what degree do we have a government of the people, by the people and for the people?

At a local level -----

At a state level -----

At a national level -----

2. **Statement:** *In a democracy, the best and the wisest among us should rise to positions of responsibility and authority.*

On a scale of zero to 100, to what degree are we electing the wisest and best among us to positions of elected office?

At a local level -----

At a state level -----

At a national level -----

3. **Statement:** *An effective democracy calls for an electorate that is well informed about the issues and challenges impacting them.*

On a scale of zero to 100, to what degree is the electorate informed about issues and topics impacting them?

At a local level -----

At a state level -----

At a national level -----

4. **Statement:** *An effective democracy calls for an electorate that is well informed about what its government and its government officials in their official capacity are doing.*

On a scale of zero to 100, to what degree do you, personally, understand what is actually happening in government, what actions your elected officials are taking, the issues and challenges that need to be addressed?

At a local level -----

At a state level -----

At a national level -----
